

— It Ain't Over Till It's Over —

Ken Blanchard and Morton Shaevitz show you how to make every minute of your life joyful, exciting, and energizing, no matter your age.

Growth Is a Lifetime Adventure!

"Once in a while a book comes along that should be featured on every talk show.

Refire! Don't Retire is just such a book. Read it and you will experience aging in a whole new way. A must-read for anyone who plans on getting old."

— **Richard Leider**, bestselling author or coauthor of *The Power of Purpose*, *Repacking Your Bags*, and *Life Reimagined*

"If you answer only one-third of the questions at the end of each major section, this book will be worth its weight in gold! It is not only for those considering retirement but also for anyone interested in the pursuit of love, learning, and longevity."

— **Beverly Kaye**, founder of Career Systems International and coauthor of *Love 'Em or Lose 'Em*, *Love It, Don't Leave It*, and *Help Them Grow or Watch Them Go*

"*Refire! Don't Retire* is an enlightening and powerful read. It really hit home with me. When you've coached basketball for more than thirty years, as I have, you start to think about and wonder what's next in life. This book is a great plan for that moment."

— **John Calipari**, head men's basketball coach, University of Kentucky, and three-time winner of National Coach of the Year

"What Blanchard and Shaevitz have really done is change our whole perspective on time. Instead of an older person feeling like a 'has-been,' each is encouraged to become a 'will be.' We are not our past—we are the possibilities of adventures in our future."

— **Natasha Josefowitz**, author of *Too Wise to Want to Be Young Again* and *Been There, Done That, Doing It Better*
