

*Big Bucks!* clearly sets out the three things that successful moneymakers know and that you need to know to put you or your company on the money map of millionaires.

Bookstore shelves are filled with money books—books that tell you who has it, who used to have it, how to invest it, or how to squeeze it if you already have it.

*Big Bucks!* tells you how to get it in the first place.

- How to discover the source of moneymaking energy and drive
- How to focus that power effectively
- How to create focus for spectacular financial success
- How to develop perpetual prosperity

Best of all, *Big Bucks!* will guide you in your quest for significance. The secret of perpetual prosperity will give meaning to your millions.
